

The examiner also objected to the specification, requesting that the status of the co-pending applications be updated. Applicants respectfully submit that the status of the co-pending applications, as indicated in the amendment to paragraph [01] in the preliminary amendment filed on January 3, 2005, is current.

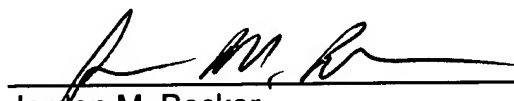

As such, the present application is believed to be in condition for allowance, and such action is earnestly requested.

If there are any additional charges, please charge Deposit Account No. 02-2666.

Respectfully submitted,
